Sir:

In the Information Disclosure Statement filed on November 7, 2006, Applicants referred the Examiner to International Patent Application No. PCT/JP2005/010142, of which the present application is the U.S. National Stage Application. The International Search Report cited Japanese Laid-Open Patent Publication No. 2004-128872. However, due to a typographic error, document (2) was incorrectly denoted as Japanese Laid-Open Patent Publication No. 2004-128871 on page 2 of the Information Disclosure Statement and on the PTO-1449 Form attached thereto. However, a correct copy of the document and English language Abstract cited in the International Search

Report (e.g., Japanese Laid-Open Patent Publication No. 2004-128872) was provided for the Examiner's review.

By the current Correction, Applicants submit a PTO-1449 Form that correctly indicates that document (2) cited in the International Search Report is **Japanese Laid-Open Patent Publication No. 2004-128872**. The Examiner is requested to initial the appropriate spaces on the attached Form and to return a copy of the completed Form to Applicants with the next official communication in the present application.

As the correct copy of the document was previously provided to the Examiner, another copy of the document is not enclosed herein.

Applicants note that an Office Action on the merits has not issued in the present application, and thus, no fee is believed necessary to ensure consideration of the submitted material.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Keiichi TANAKA et al.
